INTRODUCTION

ABOUT COMPANY

YPS Blade Industries, established in 2020, stands as a trusted name in the manufacturing, exporting, and supplying of premium-quality mixer blades. With a wide range of products including Heavy Duty Mixer Blades, Universal Matka Mixer Blades, Stainless Steel Butterfly Blades, and Multi-Purpose Blade Sets, the company is committed to delivering durability, precision, and performance in every product.

Driven by modern technology, superior-grade materials, and the expertise of a skilled workforce, YPS Blade Industries Ltd has earned strong recognition in the market. Under the leadership of Mr. Akshit Sharma, whose vision and guidance fuel continuous

Our vision is to become a global leader in the mixer blade industry by setting new benchmarks in quality, innovation, and customer trust. We aspire to expand our reach across international markets while continuously enhancing our product range with advanced technology. With a focus on sustainability and excellence, we aim to shape a future where YPS stands as a symbol of reliability worldwide.

OUR VISION

OUR MISSION

Our mission is to deliver high-quality, durable, and precision-engineered mixer blades that bring efficiency and reliability to every household and industry. We are committed to continuous innovation, advanced manufacturing practices, and customer satisfaction, ensuring our products meet global standards. Through excellence and integrity, we aim to build lasting relationships with our customers worldwide.

WHY CHOOSE US ?

COMPETITIVE PRICING & MINIMUM ORDER QUANTITIES

We maintain highly competitive pricing — for example, RS 13 per set for Mixer Blade Sets, with a minimum order quantity (MOQ) of 5,000 sets.

SKILLED LEADERSHIP & GROWTH ORIENTATION

Founded in 2020, YPS Industries (Mohan Nagar, Ghaziabad) operates under the guidance of Mr. Akshit Sharma.

3 OPTIONS
IMPORTANT

WIDE VARIETY OF MIXER BLADES

They offer a broad assortment of stainless-steel blades suitable for various mixer types and uses—from heavy-duty dough mixing to attachments for traditional matka (clay pot) mixers.

QUALITY MATERIAL & DURABILITY

Their products are crafted from high-grade stainless steel, which ensures durability and resistance to corrosion—key qualities for long-term performance in kitchen or industrial environments.

MANUFACTURER & EXPORT CAPABILITY

As manufacturers and exporters, YPS Industries has control over production quality and the flexibility to serve both domestic and international clients, which is beneficial for bulk or customized orders.

FOUNDERS MESSAGE

At the heart of our brand lies a simple vision – to blend tradition with modern elegance. When we began this journey, our mission was to create clothing that not only reflects India's rich cultural heritage but also resonates with today's confident and graceful women. Each design is thoughtfully crafted to bring out timeless beauty while ensuring comfort and versatility.

We believe fashion is more than just clothing – it is an expression of identity, confidence, and individuality. That's why our collections are designed to inspire women to embrace their uniqueness with pride. With every kurti we create, we aim to weave together artistry, quality, and trust, making sure

At YPS Blade Industries, our vision has always been to blend quality with innovation, ensuring every product we create adds value, reliability, and trust to our customers' lives.

COMPANY'S GROWTH

YPS Blade Industries Ltd has shown consistent year-on-year progress since its inception. Achieving remarkable milestones, the company recorded 30% growth in FY 2021–22, 32% growth in FY 2022–23, and an impressive 35% growth in FY 2023–24, reflecting its strong market presence and customer trust.

CLIENTS TESTIMONIALS

01

RAJESH PATEL (ELECTROMAX HOME APPLIANCES CO.)

I have been using YPS mixer blades for over a year, and the quality is simply outstanding. The blades are durable, sharp, and deliver excellent performance. I truly appreciate the consistency and reliability they provide.

02

NEHA SHARMA (UNITECH HOME APPLIANCE)

YPS Blade Industries has become my first choice whenever I need mixer blades. Their wide variety and superior finishing make them stand apart from others in the market. I'm very satisfied with their service and product quality.

01

ARJUN MEHTA (RAJ ENTERPRISES)

The heavy-duty blades I purchased from YPS have exceeded my expectations. They are strong, efficient, and long-lasting. It's rare to find such a perfect blend of durability and affordability in one product.

02

POOJA IYER (VOLMAX APPLIANCES)

I must say YPS Industries maintains high standards in both product quality and customer service. The mixer blades are well-designed and perform flawlessly. I recommend them to everyone who values quality.

Our clients are at the heart of everything we do — their trust inspires us, their satisfaction drives us, and their success defines ours."
